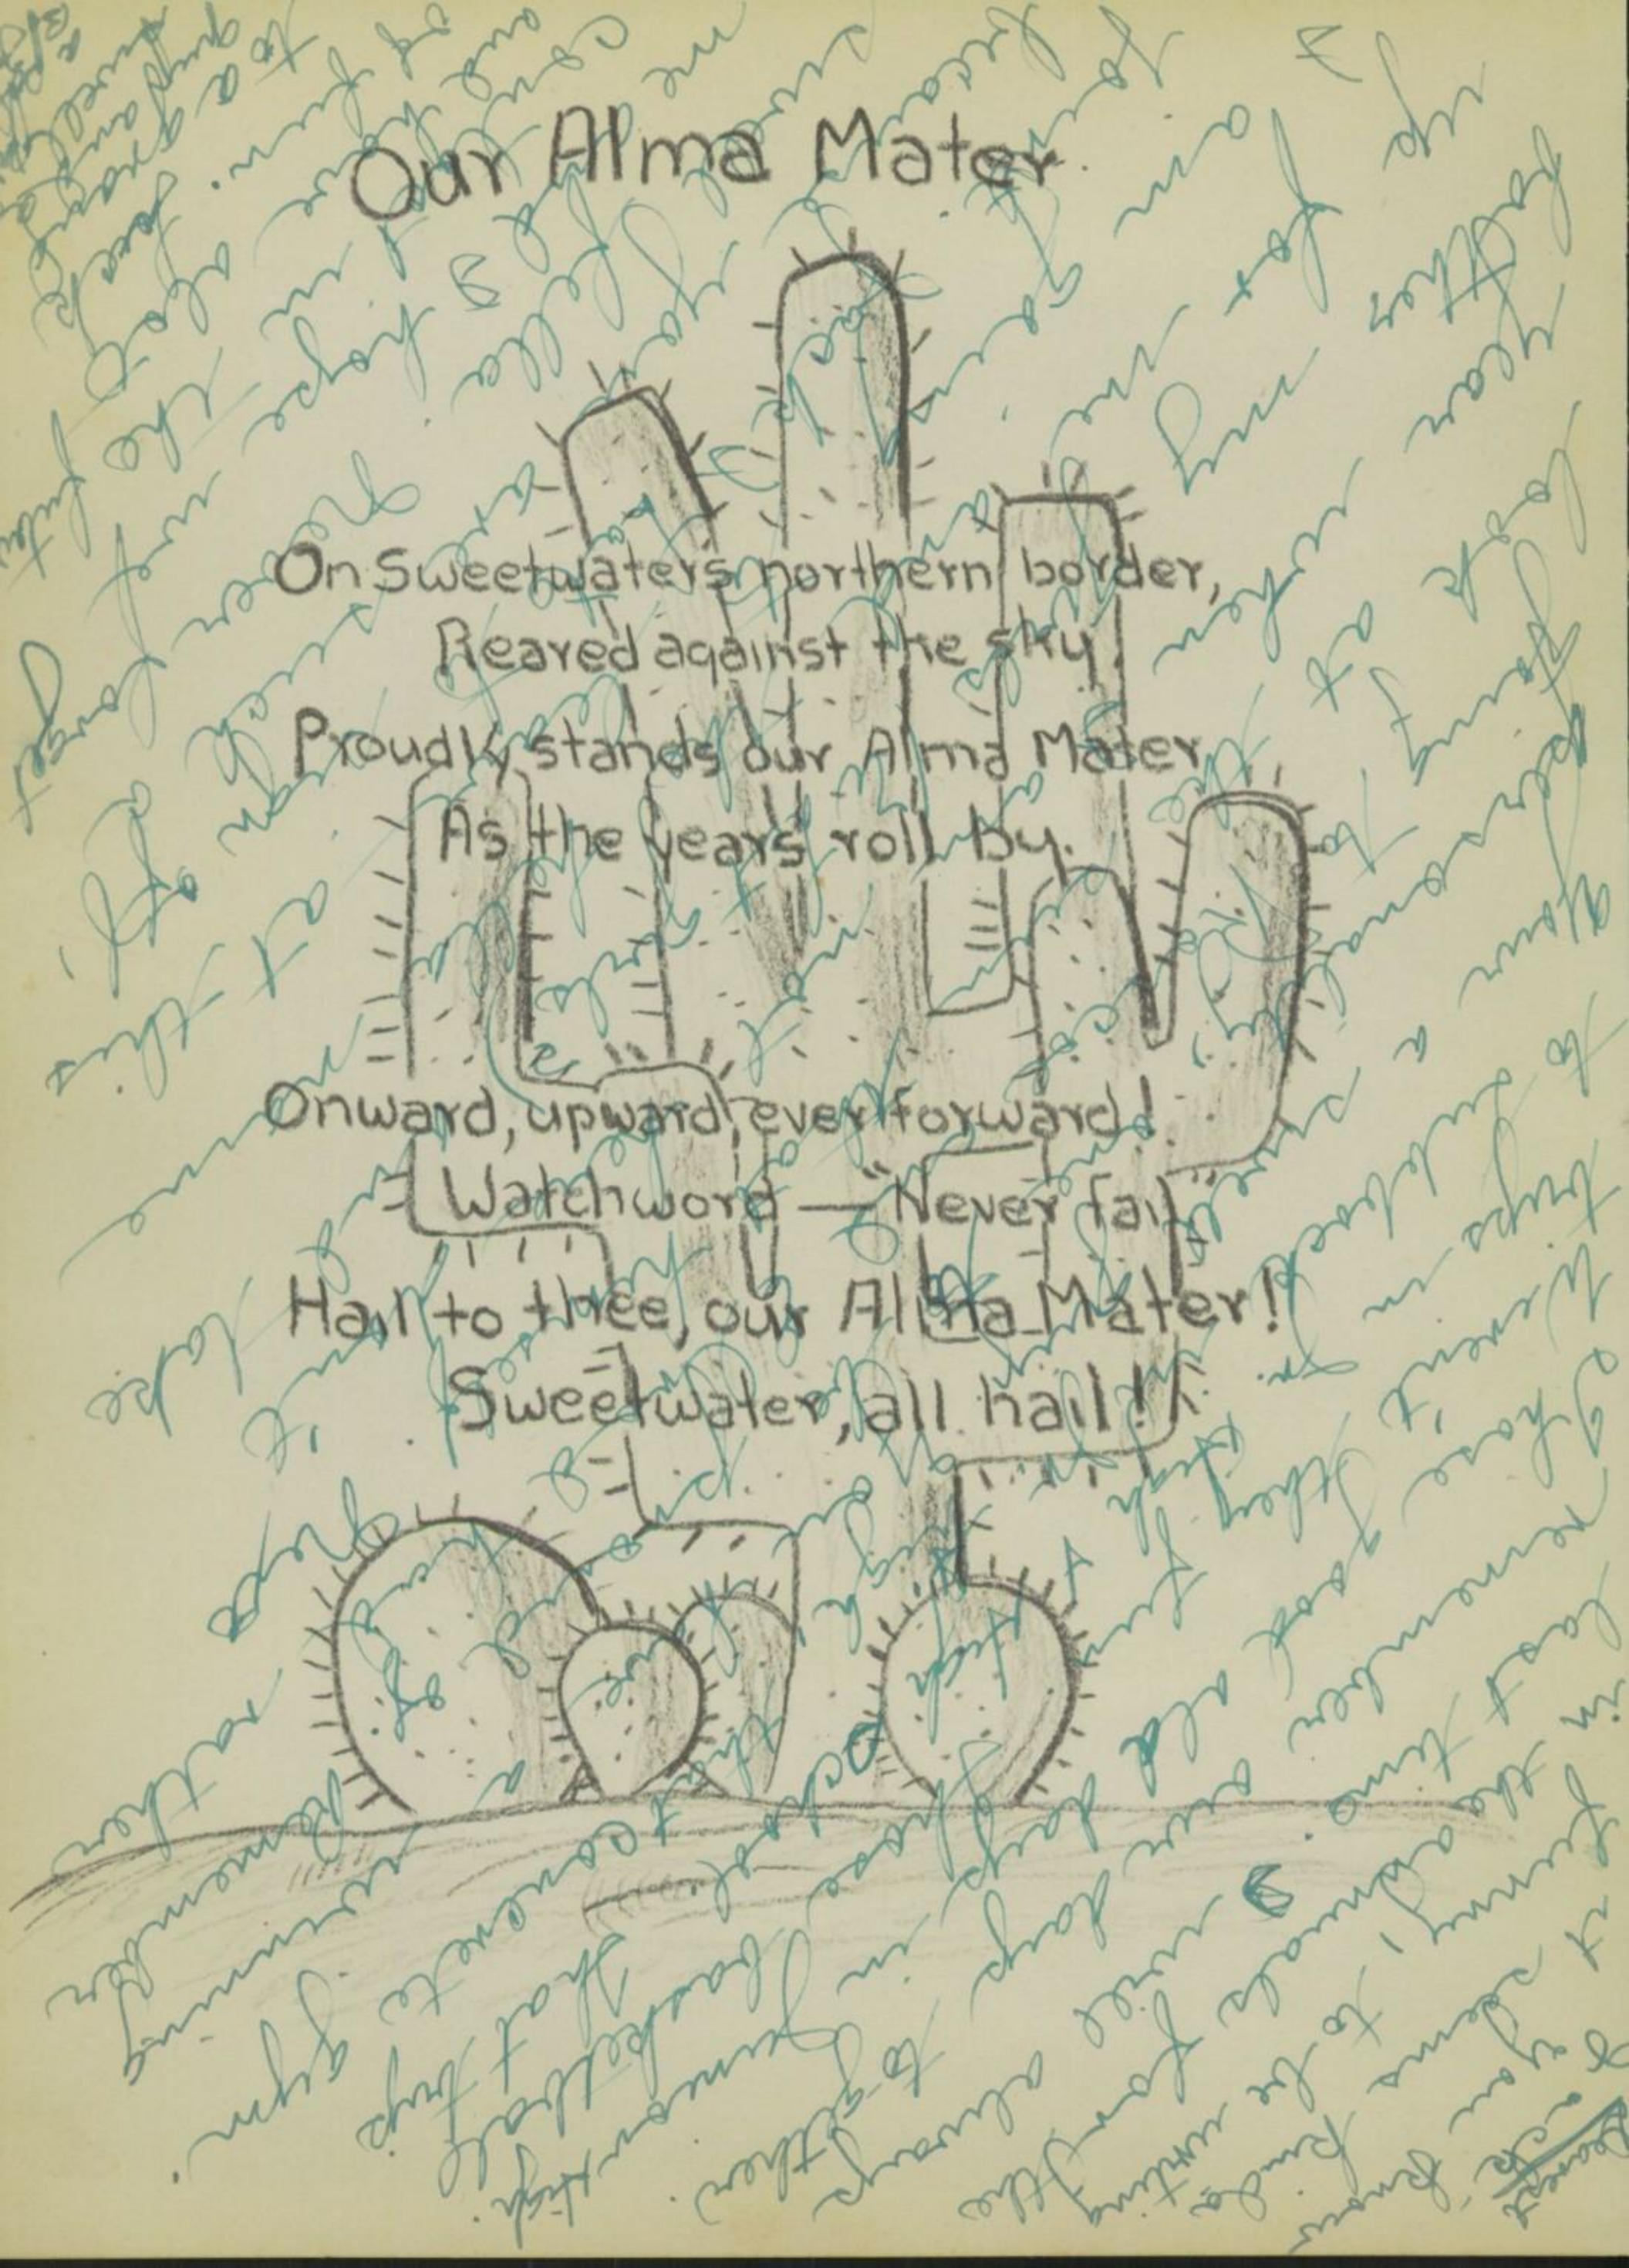
Our Alma Mater

On Sweetwater's northern border,
Reared against the sky,
Proudly stands our Alma Mater
As the years roll by.

Onward, upward, ever forward!
Watchword — "Never fail"
Hail to thee, our Alma Mater!
Sweetwater, all hail!



Dear Jack,
I count you as a good friend and no sissy. I think you are an all-around sports fiend and I admire this in anybody.
Luck
Jim Taylor

Dear Jack,
I sure hope we win district next fall. We'll be seniors and can do as we like. I hope we will be good friends the rest of our lives.
as always,
Cecil Ray

To J.W. Holbert, whose faithful tenure at Newman High School represents years of loyal service, we the staff dedicate the 1942-'43 edition of the Yucca Gloriosa.

Sincerity, cooperation, and intuitive understanding are the qualities we love in our assistant principal.

Members of the student body appreciate your tact, courtesy, and ability in student-teacher relationships.

Dorothy Hunter and R. S. Covey

To My Students and Friends:

It has been said that life begins at an ox-cart gait, and the further one goes the faster the tempo. Short has been the time since first we began this year's work under Autumn skies with shadows of war clouds, when we were anxious and apprehensive of events to come. However, it has been long enough to give its full share of joys and sorrows of hopes and disappointments, of victories and defeats, of personal sacrifices and acheivements, of learning, labor, love, romance, friendship, and of all those human experiences that cross our pathways.

I want to express my appreciation to all of you for your contributions this year. May peace soon come to the world, and may success and happiness be yours.

Your friend,

R. S. Covey

Ross S. Covey

Gloria Skillern and P. C. Lightfoot

To the Students of the School:

This school year, no doubt, will be reflected through the years as having presented a definite challenge to the student body in helping the nation win the war through student activity participation directly related to the war effort. I am of the opinion that you will continue to meet that challenge until the Axis powers will witness their "finish." You are to be commended for your favorable accomplishments.

It affords me great pleasure to commend the Class of 1943 for their valuable contributions, to congratulate the Yucca Gloriosa staff and their sponsor, since it is you who were instrumental in making this annual a reality this year, and to express appreciation to our corps of teachers who have expended their efforts during this war crisis to make this a successful school year.

Best wishes to all of you.

Sincerely,

Preston C Lightfoot

Bandit Brown

Jack,

It sure has been swell knowing you. We have had lots of fun together and will have more. You are a good football player and I hope you get much much better. Next year we are going to get district. I hope you go on to college & make good there, you should with a personality like yours. I think you are the best friend and to play with me in everything. I wish you the best of luck and happiness in everything.

"Dusty"

For six years, as head coach, Lawrence Priddy has been the pride and joy of the Mustang team. Because of his skillful and thorough training the Mustangs have won many honors.

In the past six years his teams have won: second place in District, '37; first place in western half of the Oil Belt District, '38; Bi-district title in '39; fourth place in District in '40; District title in '41; and second place in District in '42.

Adrian Clark, who has served for the past six years as assistant coach, has made an excellent showing in turning out backfield men. Not only has he been assistant coach in football but he is head coach of the basketball team and track squad.

Coach Clark

Sincerely wish you a good year next year and a life engayed [sic] in friendship
Alex Parker

Mack Alexander served his first year as assistant coach with the Mustangs this past season. The fact this was his first year with the team did not keep him from making a personal friend of every Mustang. His patience and understanding combined with the ability to turn out good linemen, made him a valuable as well as likeable coach.

The Mustangs started a successful season by defeating Mineral Wells 58-0, Brownwood 33-0, and Graham 27-7.

The Ponies were on their way to the 3AA District Championship by winning over Colorado City 13-0 in two minutes of play (the game was called off due to rain), Abilene 27-7, Lamesa 32-0, and Midland 40-0.

Sweetwater was trimmed by Odessa 39-0; however, Odessa was ruled out later because of an ineligible player. San Angelo won over the Mustangs 27-7, taking the District Championship.

The Mustangs made a comeback at the last of the season by stomping Big Spring 60-7.

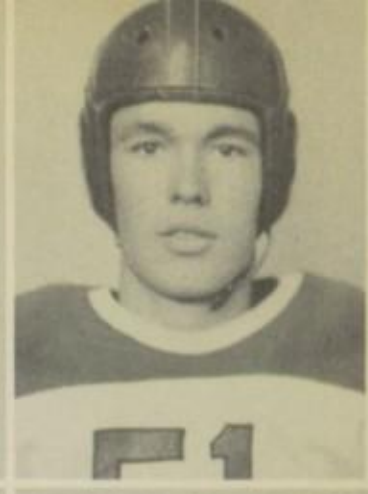
Back row--left to right: Coach Priddy, John Berry, Jimmy Mayfield, Cecil Tarver, Winfred Kemp, A.B. Gill, Kenneth Dismuke, Gerald Scott, Jean Pate, Coach Clark, and L.D. Nunn.
Front row--left to right: Coach Alexander, Alex Crowder, Randle Brown, Bill Morton, Albert Hrbacek, Buddy Hedrick, Jimmy Duncan, Thurston Healer, and Towner Leeper.

Randle Brown, end, was a hard fighter and a good defensive man. He lettered for the first time this year. Randle has another year of eligibility and is expected to make a good showing.

Cecil Tarver earned his first letter with the team this year. He was a support in the Mustang line. Cecil has another year of eligibility, and he will be fighting for the Ponies next season.

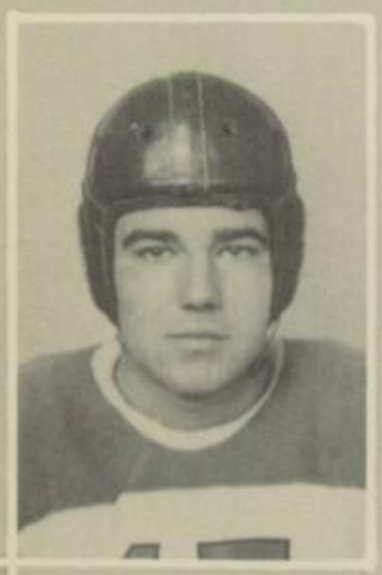


A.B.Gill, second-year letterman, earned his letter at center this year. He demonstrated a fighting spirit in every game. This was "Abner's" last year with the Ponies.

Raymond Fitzgerald, end, earned his second letter with the Mustangs. Fitzgerald was good at receiving passes and making long gains for the Ponies.

Arthur Swaim made the Second All-District Team at tackle. His 185 pounds made him an excellent defensive player. This is Arthur's last year with the Mustangs.

Jean Pate played an alternate tackle position on the A team this season. Jean was an energetic worker and lettered with the Mustangs for the first time.

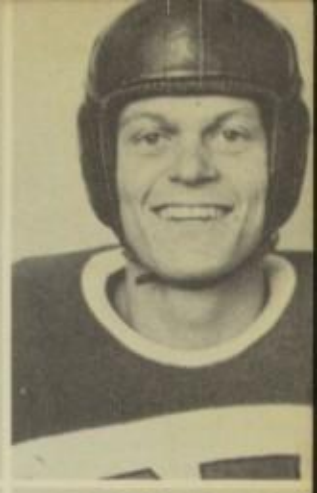


Jack Swaim, end, lettered with the Mustangs for the second time. Jack was a hard-charger, a willing worker, and a valuable man.

A.D.Tucker, brough up from the "suicide squad," filled a regular position at guard. A.D. was a consistent player and lettered for the first time.

Buddy Hedrick, back, received his first letter this season. Buddy has proved his ability on the gridiron and is expected to develop into a great Mustang next year.

Jimmie Duncan, back, served his first year with the Ponies. He was hurt at the first of the season but returned later with the fighting spirit of a regular Mustang.

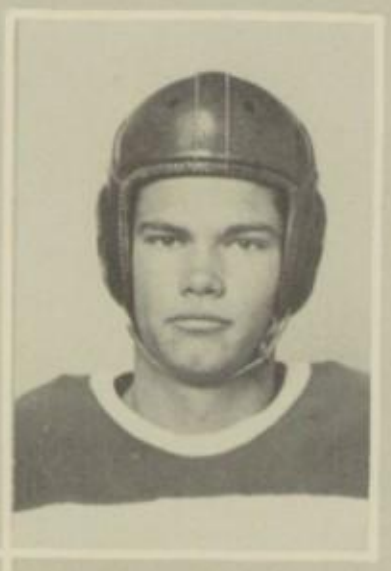


Ed Mays, co-captain, ended three successful seasons with the Mustangs. He made the All-District team at tackle in '41 and received this honor again in a backfield position in '43. His position will be hard to fill next year.

Dugie Turner, a second year letterman, was co-captain of the '42 squad. Turner was high-point man in the District and was chosen on the All-District team. He was awarded the Levy Trophy for being the most valuable player of the '42 season.

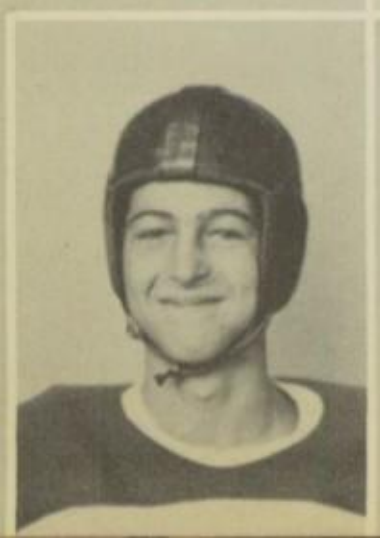
Gerald Scott, who lettered on the "Suicide Squad" last year, made the Mustangs a good back. Gerald has another year of eligibility.

Towner Leeper, back, won recognition as a typical Mustang through his determination. Towner has possibly two more years with the Mustangs.



Is a lazy dog but still a ~~pretty~~ pretty good guy I want to wish a lot of luck,

Towner

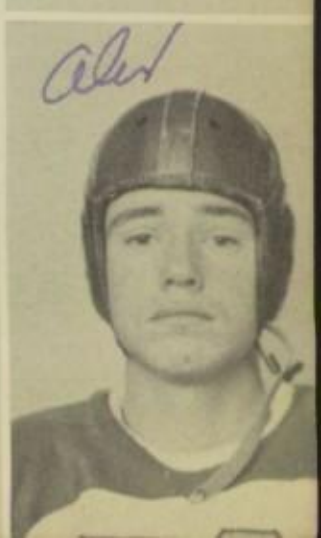


Douglas McCoy, back, has served his last year on the Mustang B Team. He had another year of eligibility but our loss is San Angelo's gain.

Alex Crowder, a letterman on the Mustang B Team, has proved himself a capable and hard-working Mustang. This is his last year with the team.

Alex

Good!!!



Jack Owen, end, earned his letter on the B team this year. Jack has built up high expectations for himself next year.

Thurston Healer, excellent center, did his part in keeping the team pepped up. Thurston should be a "power house" in the line next year.

John Berry gave a good account of himself in the games he played. Although this is John's first year with the Mustangs, he held down his position well.

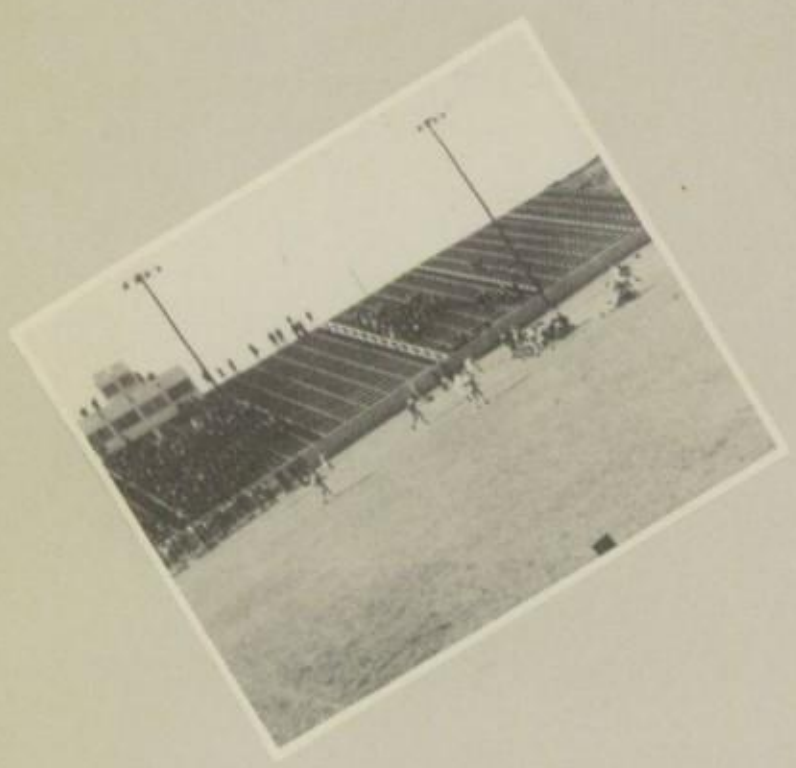
Billy Morton, tackle, received his letter this year with the Mustang B team. Bill's weight and level thinking should be an asset to the squad next season.

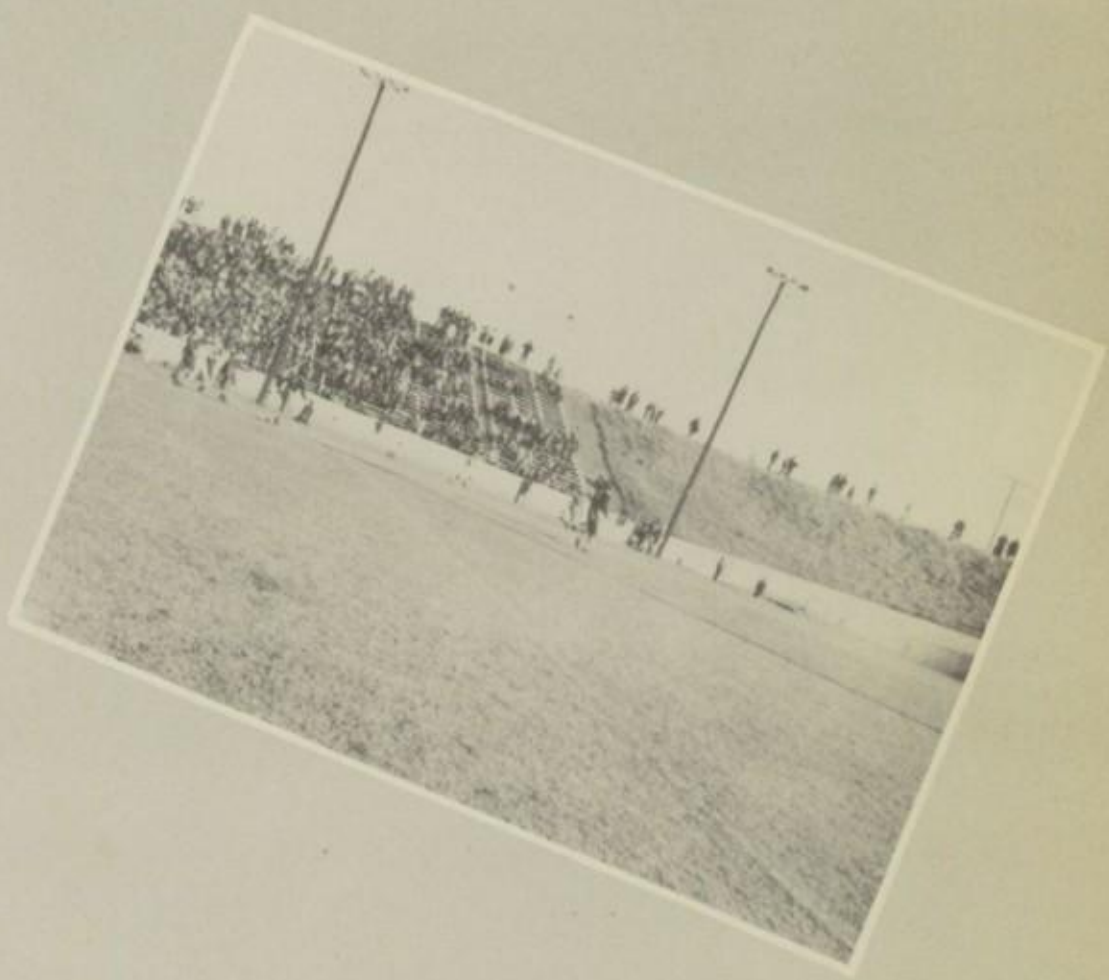
Jimmie Mayfield was one of the alternating tackles on the B team this year. He earned his second B letter this season by making every play count.

Kenneth Dismuke, playing an alternate end position, lettered on the B team for the first time. He played his position well, displaying plenty of fight on every play.

L.D.Nunn was co-manager of the Mustangs this season. Although "Speedy" wasn't in the "limelight" of the gridiron, he was a dependable, capable, and energetic worker. The squad considered him one swell fellow.

Albert Hrbacek, co-manager of the Mustangs for the past two seasons, has proved himself a reliable and an efficient worker. Due to Albert's never-tiring efforts, the team has been managed extremely well.





Front row, left to right, Thurston Healer, B.F.Hand, Towner Leeper, Jack Taylor, Floy Pittman, and Johnny Basham.
Back row, left to right, Alex Crowder, Cecil Tarver, David Elrod, Randel Brown, LeeRoy Yoakum, Jack Owen, and Jim Taylor.

The 1943 Mustang Basketball schedule was cut short due to lack of transportation so intramural basketball was substituted. The intramural teams were made up of the South, West, East, Eskota, Palava, and Busby. The city championship was won by the Southside Lions and the rural championship by the Eskota and Whiteflat Kids

How Favorites Were Selected

YUCCA GLORIOSA

The Yucca Gloriosa Queen was elected in a contest between the three classes.

Before the contest started, each class elected a girl for Queen candidate in the contest.

Each student was given a vote allowing him to vote for one of the three candidates.

Odessa Elliott, who won the contest, was crowned Yucca Queen on December 17. The other candidates were Venus Blythe and Pat Malone.

CLASS FAVORITES

The senior, junior, and sophomore favorites were elected by popular vote of the classes at a time when solicitation of votes was impossible. There was no campaigning, and the students were given ballots to vote for their favorite boy and girl at atime known only to the annual staff.

WHO'S WHO

Members of the Who's Who were selected by the high school faculty on the basis of personality, attitude, scholarship, and leadership.

Each teacher was asked to recommend three students from each class in order that students from each activity represented in Newman High would have a chance to be considered.

From these names they then selected sixteen outstanding boys and girls from the three classes. A larger per cent was selected from the senior class because they have had two previous years to prove their ability.
